

SEBA as a building block to transform Enterprise Broadband Services

Saurabh Chattopadhyay, Sterlite Technologies Ltd
Hrishikesh Khasgiwale, VMware

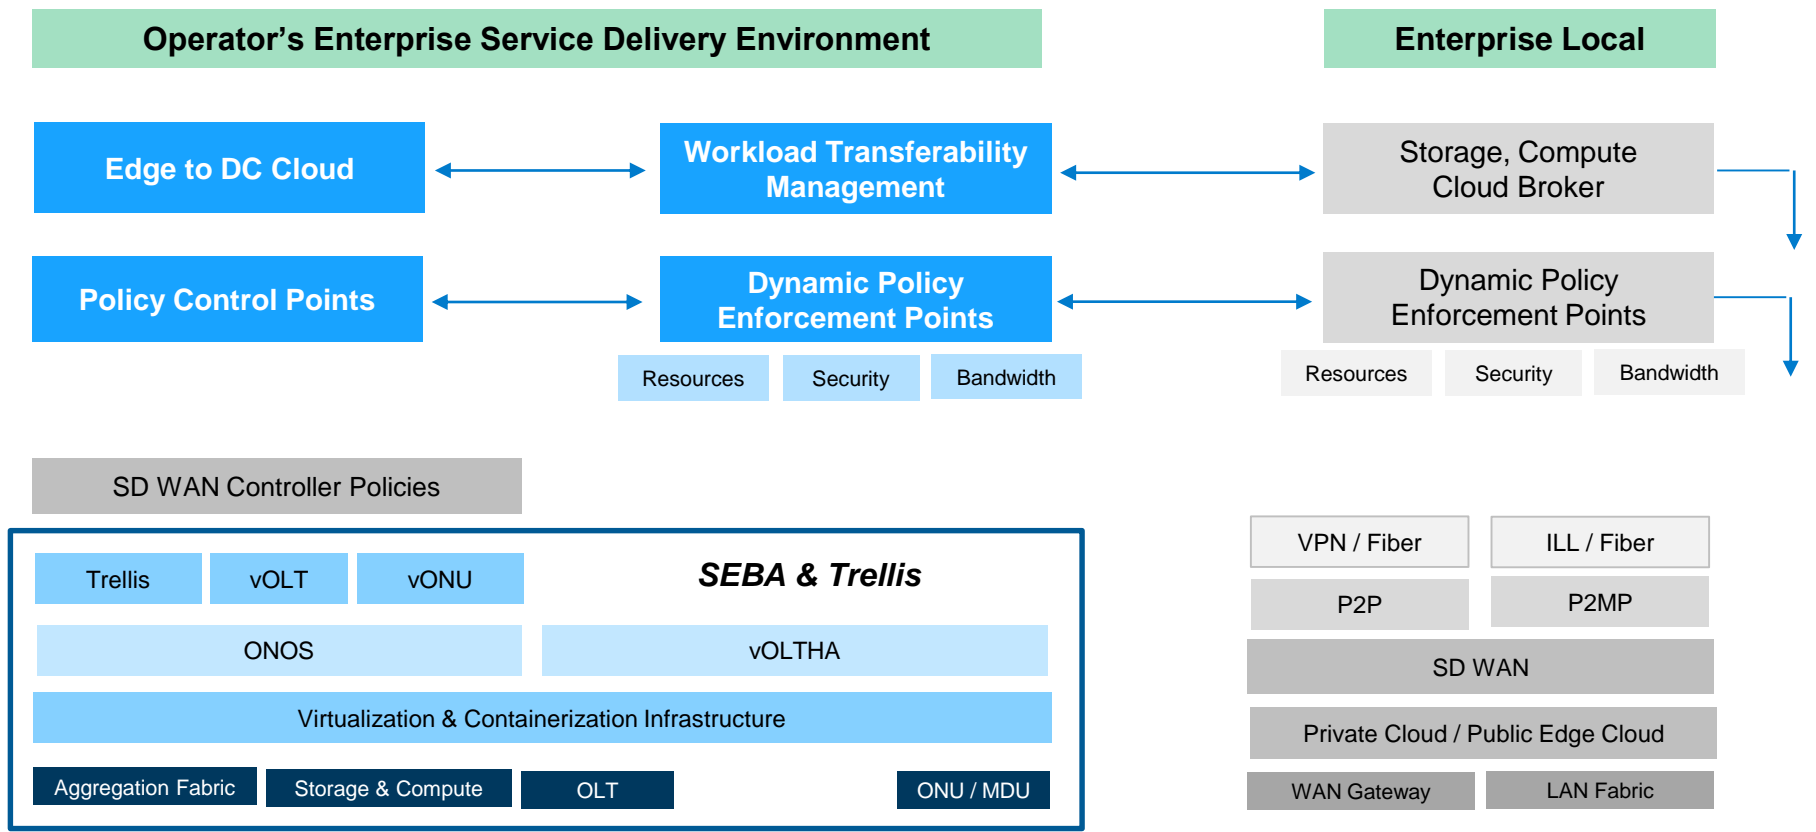

Changing Paradigms of Enterprise Services

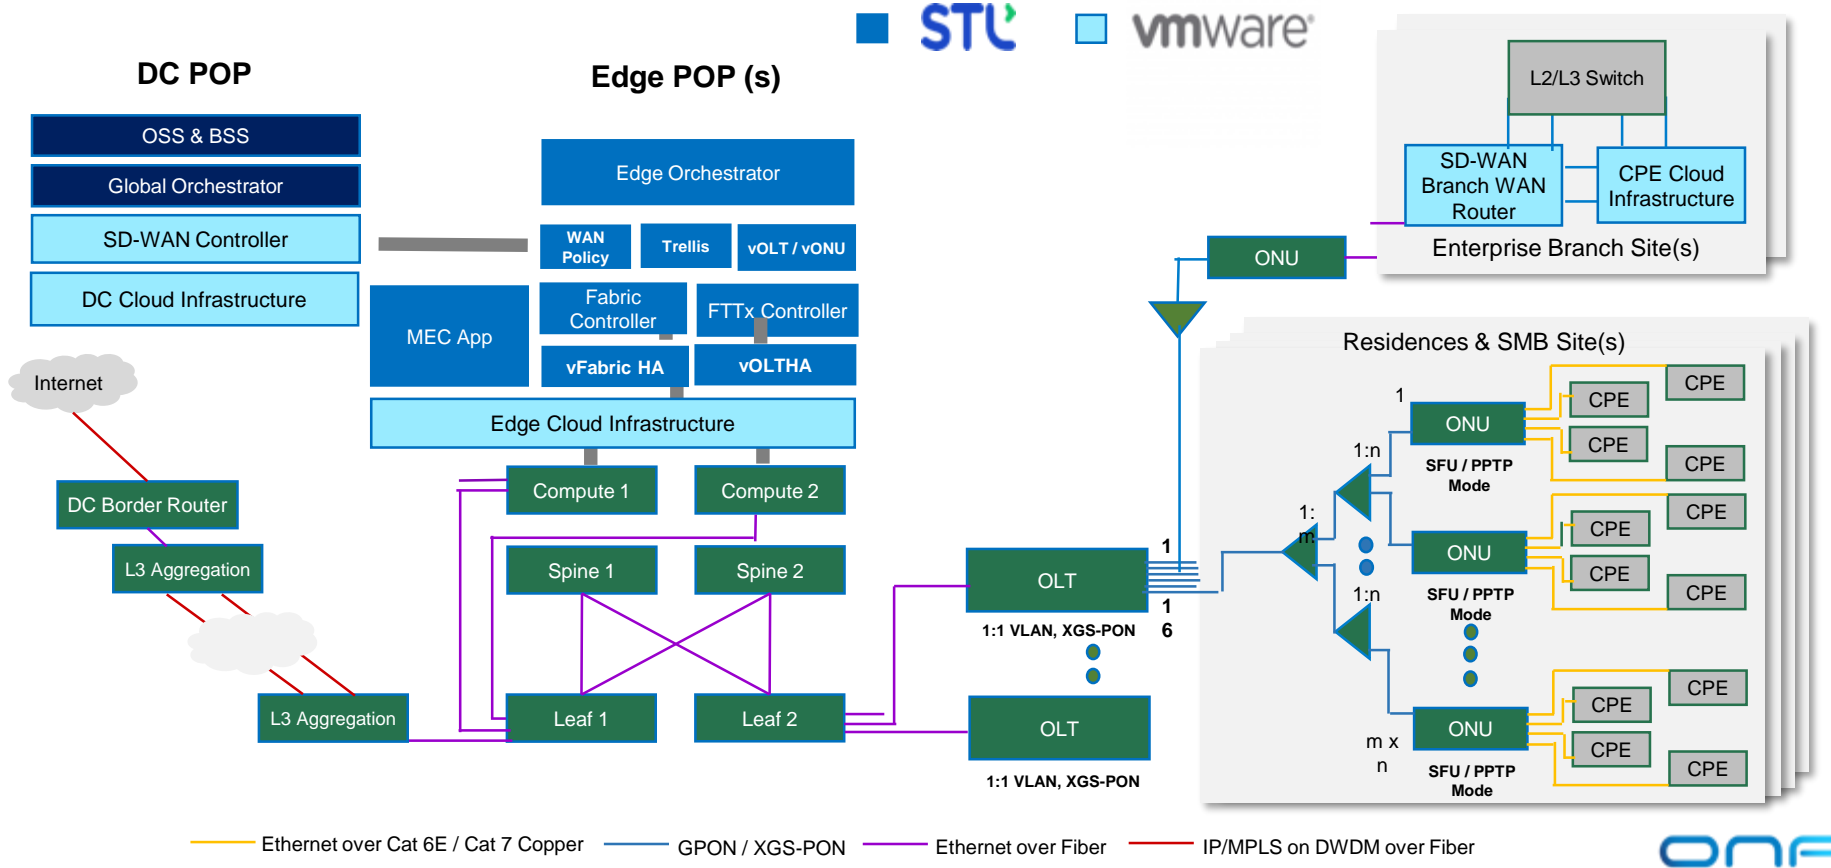

Why the Enterprise Network & Services Transformation *depends* on Software Defined Access Solutions

How an ONF SEBA & Trellis Compliant Solution becomes a Fundamental Building Block

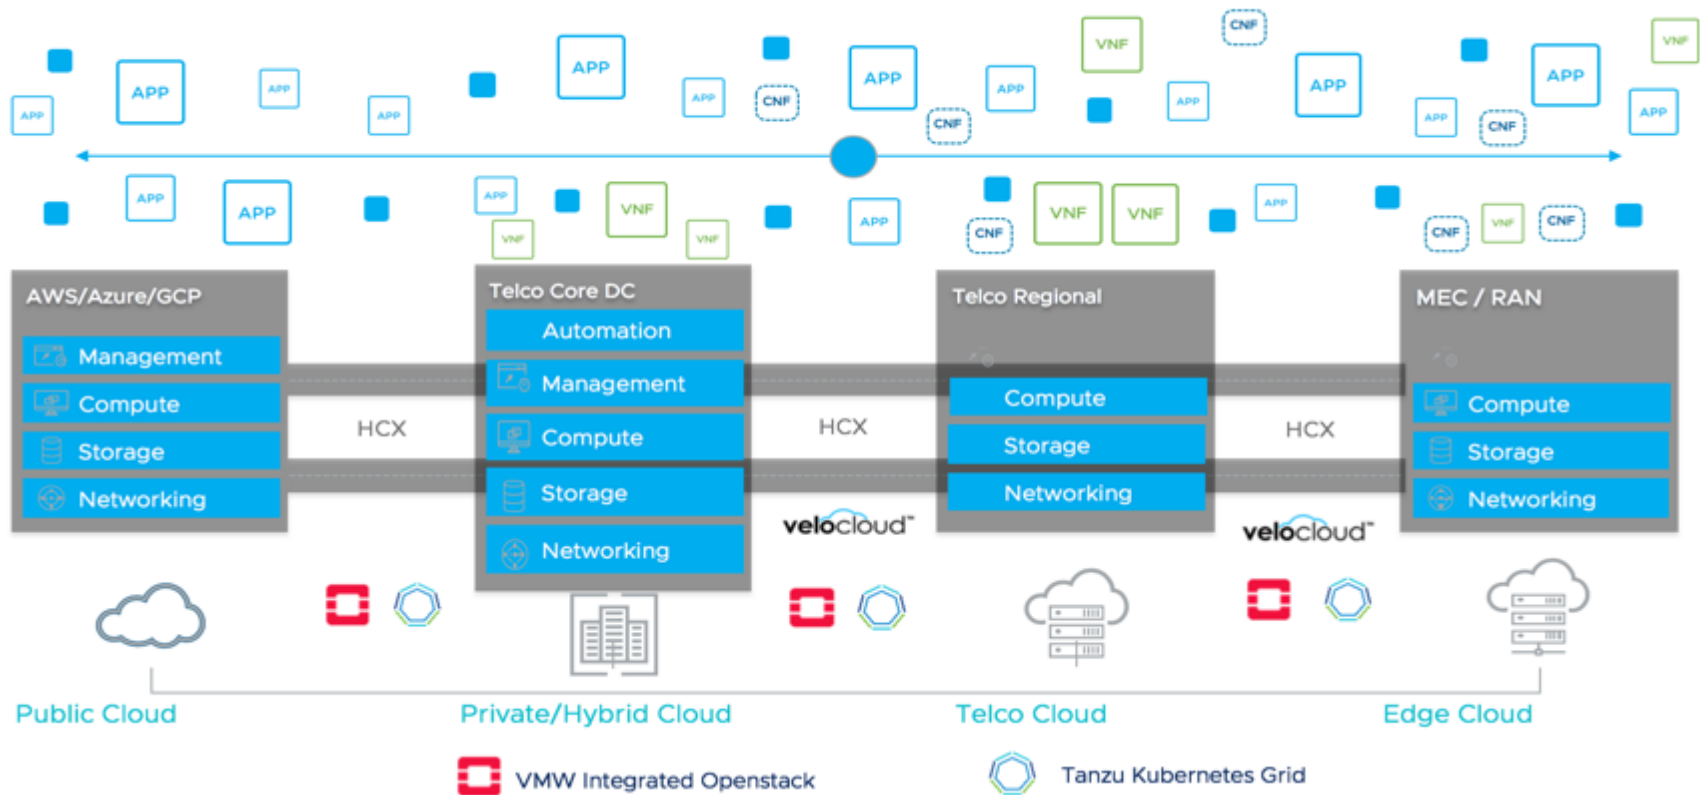

The Exemplar Work STL & VMware have done together

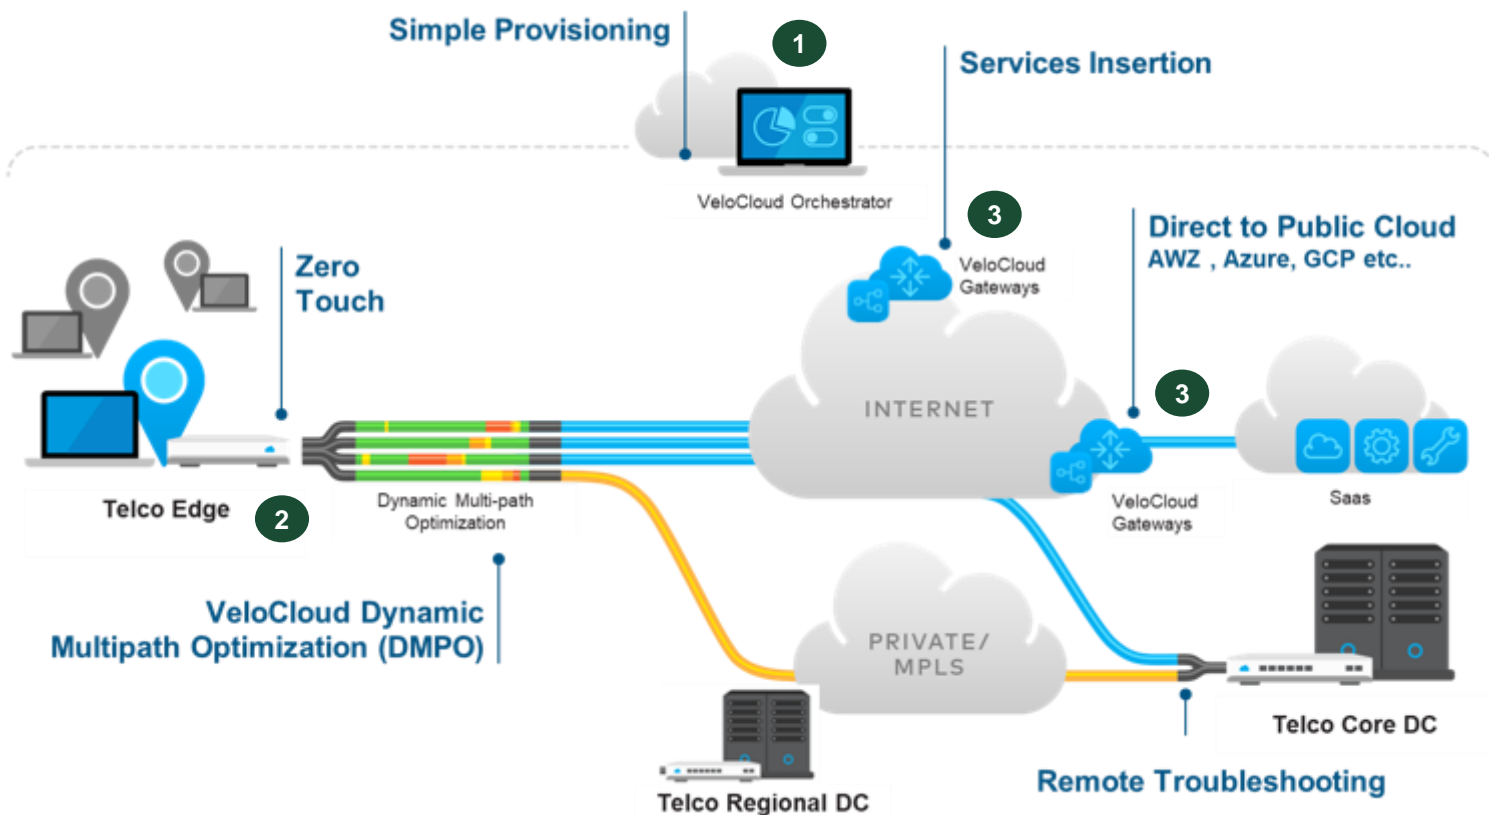

— Ethernet over Cat 6E / Cat 7 Copper
 — GPON / XGS-PON
 — Ethernet over Fiber
 — IP/MPLS on DWDM over Fiber

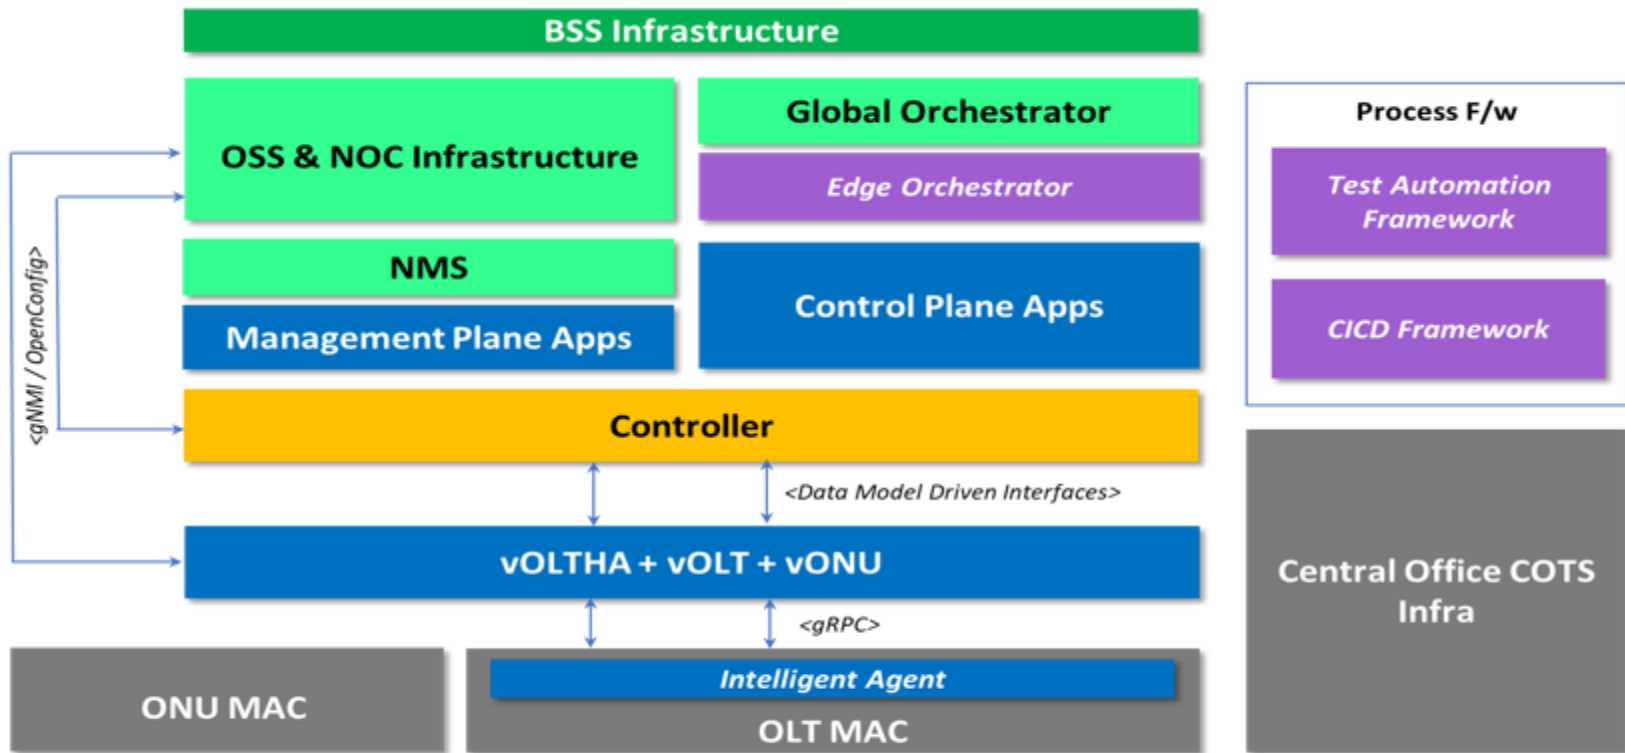

The Exemplar Work : VMware Telco & Edge Cloud

The Exemplar Work : VeloCloud SD-WAN

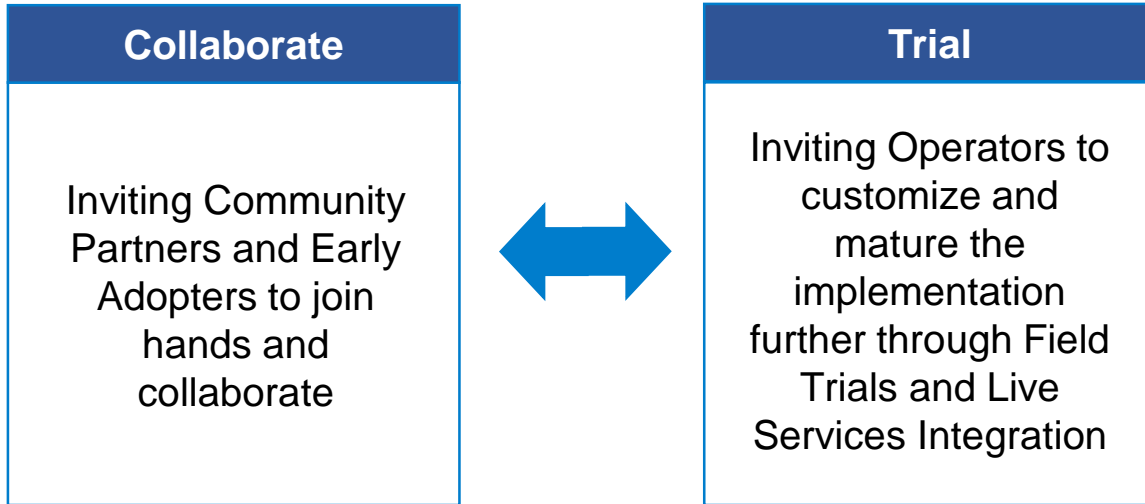

The Exemplar Work : STL pFTTx Portfolio

■ Partner Products ■ Customer specific Infrastructure ■ Sterlite Curated ■ Sterlite Curated Platform ■ Sterlite Proprietary

The Way Forward
