

# TAPI Contributions and Presentations

List of Presentations and Documents contributed for discussion on TAPI calls and F2F meetings

Please use the following convention for the file name of the contribution:

- otcc20yy.ZZ.xxx\_brief-title
  - where ZZ is two letter initial of the author in capital letters, e.g., JD for John Doe
  - where xxx is a 3 digit sequential number starting with 001. Each author owns and manages his/her own sequences and brief title.
  - yy is a 2 digit year when the first version of contribution is uploaded
  - **Please avoid specifying the document revision/version number in the file name to allow confluence-wiki to manage multiple versions of the document.**
- Examples:
  - otcc2019.KL.001\_ETH-TP-refactoring
  - otcc2019.KL.002\_draft-TR-512.A.3-v1.4
  - otcc2018.KL.002-~~04~~\_draft-TR-512.A.3-v1.4 (**avoid**)
