Goals

Discussion items

Time	Item	Who	Notes
	2020 Plans		<ul style="list-style-type: none">• Identify plans for the year for the different projects and sub-projects<ul style="list-style-type: none">• note TAPI will be discussing priorities of documenting/strengthening current release vs. adding new version• some thoughts that strengthening should come first, not all of the existing capabilities are made clear• note that 3.0 version will not be backwards compatible in some areas, need to review drivers (e.g. ONOS)• Identify any important dates or milestones
	Next TST Calls		Jan. 20, 2020 Review TST call time, see if there is a better time, possibly 1 hour earlier or later? Lyndon to poll people Feb. 3, 2020
	Other dates		SG15 - Jan 27 - Feb 7 MEF - Feb 10-14 OIF - Feb 11 - 13 F2F - current plan is June, do we want to have it earlier? Could be useful for review of pending release location to be Madrid
