Ambassador Steering Team (aka A-team)

The A-team is the Ambassador Program's 5-member body that oversees and manages the program. - Oversee the production and distribution of program's SWAG;
- Oversee nomination and process to elect new A-team members;
- Resolve disputes;
- Serve as advisers in strategic decision-making at the organizational level.

Electing Members of the A-team

- **Formation of the A-team.** The A-team is formed by four (4) elected members and one (1) appointed ONF representative.
- **Term.** Each elected member, unless otherwise agreed by a majority of the A-team, shall be elected to serve for a term of two (2) years, or until his or her earlier resignation or removal.
- **Election.** An election is held once per year during the first quarter. Half of the members (two people) will be elected in each election. In the event that any elected member seat becomes vacant prior to the distribution of nominations for the next election, more than one (1) month prior to the next planned election, the A-team may call for an election for any such seat.
 - a. **Nomination procedure.** Any ONF member company representative, community member who is eligible to vote in the TST election, or active ambassador can nominate an active ambassador, including himself or herself, as a candidate to the A-team. The candidate then provides a brief introduction about his/her background and experience of the Ambassador Program.
 - b. **Voting eligibility.** Any ONF member company (one vote per company through its representative), community member who is eligible to vote in the TST election, or active ambassador is eligible to vote in the A-team elections.
- **Voting procedure.** The voting procedure will be defined by ONF and usually follows the format of TST elections.
- **Amendment.** The amendment of this election process will be effective if and only if it is agreed by a majority of the A-team.

Ambassador Steering Team Meetings

The A-team meets at least once a month or more frequently as needed. Please refer to the [meeting notes](#) for instructions on how to join the meeting.

Mentors

Mentors are experienced Ambassadors who provide mentor-ship to Ambassadors who have just joined the program.

Mentors are responsible for:

- Helping their mentees become familiar with the Ambassador Program and their responsibilities;
- Assessing their level of technical expertise and providing them tutorials on a particular area of the ONF projects (when applicable);
- Monitoring the progress of their mentees and being their key contact person;
- Providing feedback to the A-team.

Advisers

Ambassador Advisers are individuals who are not active ambassadors themselves but who advise Ambassadors when their help is solicited. In particular, they provide technical guidance to Ambassadors who want to brush up their knowledge of a particular area of the ONF projects.

To become an Adviser, please contact the A-team directly at a-team@opennetworking.org.

Ambassadors

Ambassadors are individuals who are knowledgeable and passionate about ONF projects and initiative and who want to promote these in their part of the world to build a strong local community. When joining the program, an Ambassador agrees to take on some or all of the following responsibilities:

- **Represent** ONF and its initiatives in his/her region;
- **Promote** ONF projects and its mission;
- **Inspire, recruit, and support** new contributors;
